

Download Kardex Remstar Maintenance Manual

Kardex Remstar is a leading supplier of automated storage & retrieval solutions (ASRS) including vertical lift modules, vertical carousels, vertical buffer modules, and more. Kardex Remstar is a leading supplier of automated storage & retrieval solutions (ASRS) including vertical lift modules, vertical carousels, vertical buffer modules, and more. Kardex Remstar's Life Cycle Service provides a holistic, modular solution that guarantees the effective operation of your logistics and warehousing operations. There are many benefits of Automated Storage and Retrieval Systems – they include: Compact Footprint – ASRS technologies provide highly dense storage and can save up to 85% of floor space occupied by shelving. Calculate the True Cost of Storage Space Reduced Labor Requirements – ASRS systems require 2/3 less labor to operate when compared to manual shelving.
