Trucks or pickup trucks are the workhorses of the auto industry. Found with an open, flat bed for hauling a variety of cargo, pickup trucks can be fitted with three cabin options. The industry group will work to repeal the 102-year old federal excise tax (FET) levied on heavy-duty trucks originally imposed to help defray the cost of World War I. The FET discourages new heavy-duty truck sales and delays the deployment of cleaner, safer and more fuel-efficient trucks.
