One problem with trying to “quit” without the aid of a 12-step program is that whether you are aware of it or not, the negative emotions are still there in the back of your mind — if not in the forefront — every waking moment (And sometimes in your sleep, too – especially in late stages). More and more, marijuana is being legalized for medicinal or recreational purposes, but what are the health benefits and risks of the drug? We investigate. The A1 suffix is typically seen as part of an application identification number or grant number and “A1” is often used to refer to a new, renewal, or revision application that is amended and resubmitted after the review of a previous application with the same project number. Ever wish a stress superhero could save you from the tension of traffic jams, chaotic meetings, arguments with your spouse, or a toddler’s tantrums? Well, you can be your own stress-busting superhero. Using your senses, you can tap into the power to reduce the impact of stress as it’s happening ...
