

# Download Smart Phrases Epic Ideas

Lists of business jargon are a dime a dozen. To make this one worth your time, I'm going to: Create a comprehensive list of words and phrases encountered in everyday business writing

The door alarm and aeroplane pillow are a great idea to stay comfy and safe! I always take an extension lead when I travel; so that I have more plug sockets in a hotel room, and it also means you don't need as many adapters when you travel.

Mystical jungles, mysterious caves, remote treks, magical temples, and crazy parties, backpacking Laos is truly incredible. This travel guide will explain where to go, how to travel around, and what to see in Laos on a backpacker budget! Read on to discover the best Laos itineraries and travel advice...

If you're thinking about coming to Australia, you're doing it right already. Sure it can be expensive planning a trip here but one cultural aspect you won't have to pay for is the unique Australian words and phrases you'll hear. From words like "esky" to phrases like "Chuck a sickie ...
