An Organizer to keep track of everything pregnancy: practitioner visits and shopping lists, birthing plans and birth announcements, baby names and baby gifts. An All-in-One Place to write down everything you'll want to remember about the most exciting nine months of your life. The What to Expect Pregnancy Journal & Organizer is the all-in-one place to write down everything you'll need (and want) to remember about your 40 weeks of baby making. The first two parts are daily journals—a place for jotting down your feelings, noting your symptoms, chronicling your daily expectant life (and venting about it, too!).
