Having Those teeth of yours: A popular guide to better teeth in your hand like finding the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world in ten or fifteen small right but this publication already do that. Get this from a library! Those teeth of yours : a popular guide to better teeth. [J Menzies Campbell] Although intended as a non-technical guide to the anatomy, pathology and hygiene of the teeth, this book is on a more ambitious scale than most works of this character and includes a considerable mass of information not usually found in books of similar scope. Thus, it contains a section on the history of dentistry.
