Our Assessment: Introduced in 1934, Winchester produced the Model 67 until 1963. This is a late production model, assembled in the early 1960s, judging by the "A" model suffix. The bore is shiny and the rifle itself is in Very Good condition, retaining about 80% of its metal finish and function correctly, albeit with a wimpy ejector spring. My buddy has a Winchester 67A that a friend gave him before passing, and I am helping him clean it up. It's in pretty rough shape, but I think a little TLC and some oil will do it a world of good. Anyone have any idea where I can get a take down manual for this thing? It's nothing big but might be nice to have. I'm having a bit of a time ...
